One of the earliest sports? Called football in most places.

Don't worry about grammar when freewriting.

Requires little equipment - only a ball!

Organize ideas later!

Or sometimes not a ball (coconuts) People wear cleats,

sneakers, sandals - even bare feet! Teams can have

any number of people, sides just need to be even.

personal opinion??

World cup! Played soccer as a 6 year old and as a 26

Incomplete ideas can be developed later.

Year old. ~~Soccer leads to few injuries~~ Oops, not true!
